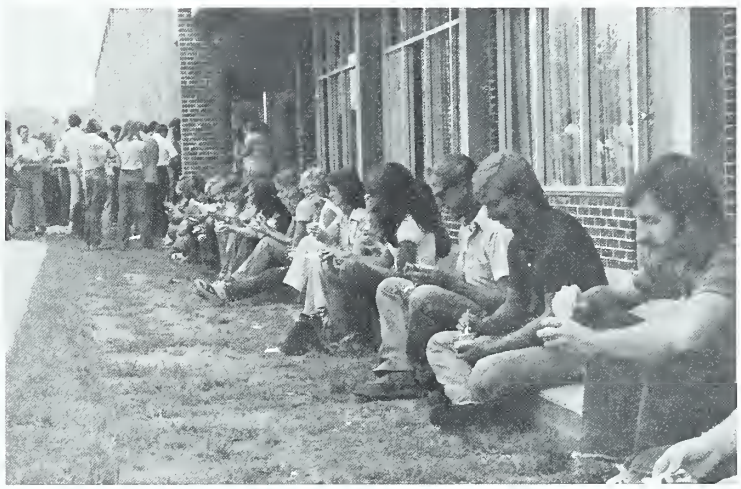
ACTIVITIES

Water Melon

The Fourth of July is celebrated at A-B Tech by a watermelon cutting. All students, staff, and instructors are invited to the slicing. Everyone leaves having had a wet, but good time.

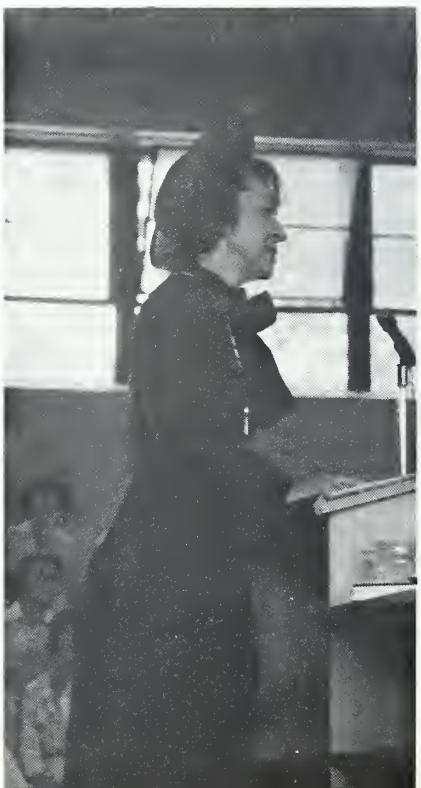
Ice Cream Party



I scream, you scream, we all scream for ice cream. There aren't many better reasons for getting out of warm classrooms than partaking in a cool, refreshing break for ice cream. It'll hit the spot every time.

Special Attraction

The Student Senate tries each year to bring a nationally prominent person to the campus as a speaker. This fall the internationally known psychic, Jeanne Dixon was guest lecturer. Mrs. Dixon has a syndicated column in newspapers throughout the world, has written several books, and is in much demand as a speaker. Many people are not aware that Ms. Dixon makes no profit from her lectures, books, and newspaper column. All fees go directly to research in birth defects and other charities.

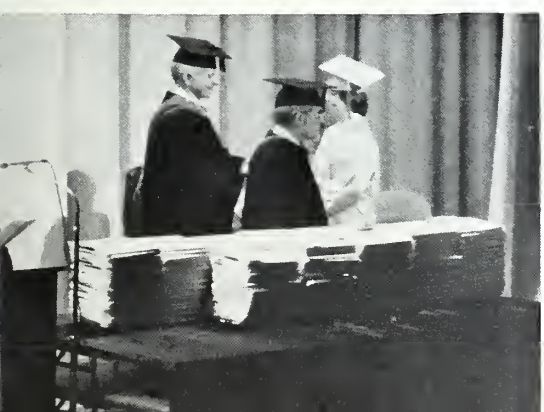


Graduation

This year 432 more names were added to our list of alumnus. The graduates once again represented every program on campus.

Due to some scheduling conflicts at the Civic Center some interesting moves were made in order to accommodate the class of 1977's graduation. But, after getting through each one's respective area successfully, they decided neither the shuffling of the location of graduation, nor heavy rain would stop the show. We wish them all the best.

At lower left: Dr. Betty Seigel spoke at the Commencement exercises. She is Dean of Education and Psychology at Western Carolina University.



Miss A-B Tech

Sharon Gentry, Miss A-B Tech 1977, and Jack Davis.

This year's crowning of Miss A-B Tech was held at the Inn on the Plaza. The entertainment for the occasion was the group "Justice". Miss Sharon Gentry, the outgoing queen, crowned Andrea Rhodarmer Miss A-B Tech of 1978. The court consisted of Cindy Brandon, Paula Edwards, Deborah Corn, Angela Boyd, Debbie McDowell, and Cheryl Moody. Obviously the choosing of the queen was a difficult problem with all the beautiful and outstanding nominees.

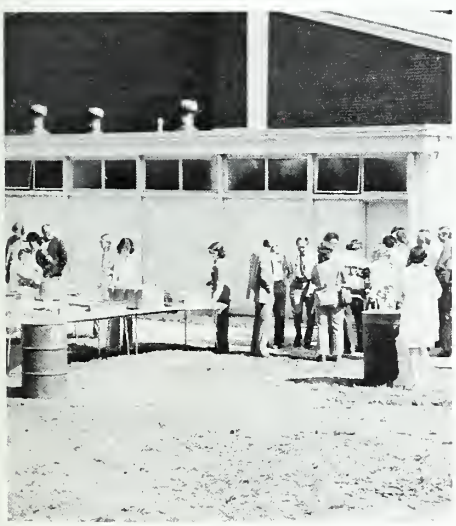
Election Day

Left to right: Carolyn Blackwell, Treasurer Andrea Rhodarmer, Secretary Robin Reed, Vice-President Randy Snelson, President

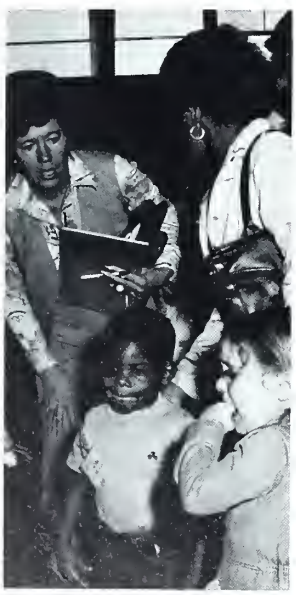
The Student Senate officers on this page represent the students' choices. In any election some people will be unhappy with those selected to office. But, if records speak for those elected, then, these persons have nothing to be ashamed of.



At the start of each school year, student senate elections are held in the gym. Pictured are some of the candidates. On election day, students were invited to a feast that was fit for a king. Also, during election, music was provided by the Bridge Sound Co. We're sure that all involved enjoyed the great food and terrific music.

Christmas Party And Parade

A-B Tech once again helped Asheville's Christmas Parade. Two units of those participating were from the Atomic's campus. ABTI's float was graced by the Miss A-B Tech Queen and her court. Many people were given the opportunity to judge that we have "beauty" as well as "brains" here. Also, the car carrying our cheerleaders had some very spirited cargo on it. Needless to say, you should have been proud of our units whether you were there or not.



You mean, I waited 15 minutes to hear him say, "we'll see about that, ho, ho, ho!"?

The Asheville Housing Authority and A-B Tech joined in holiday spirits. Santa was on hand with gifts, for no child's Christmas would be complete without him. If you multiply 120 minutes of festive doings, times the number of children present, the answer would have to be many joyous moments for all.

Thanks to all the students who gave with the spirit!!

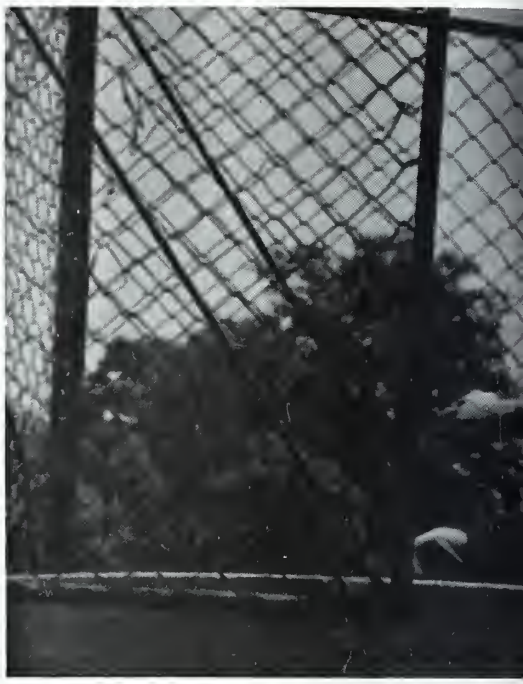
Award's Day

Award's Day ceremonies included citing Mr. Creasman on his retirement and contributions to A-B Tech.

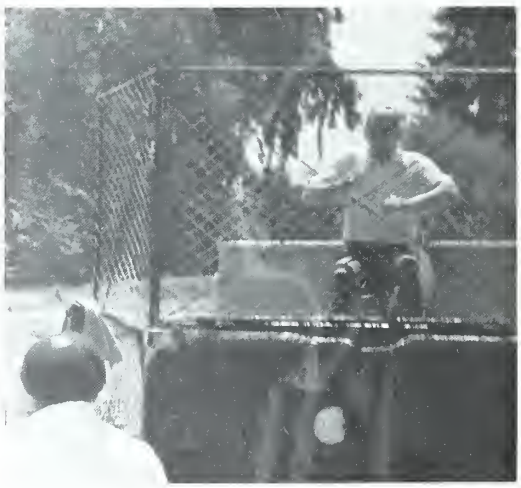
The girls in the fashion show did a fine job, too. A salute must also be given to all who received awards that are not mentioned here.

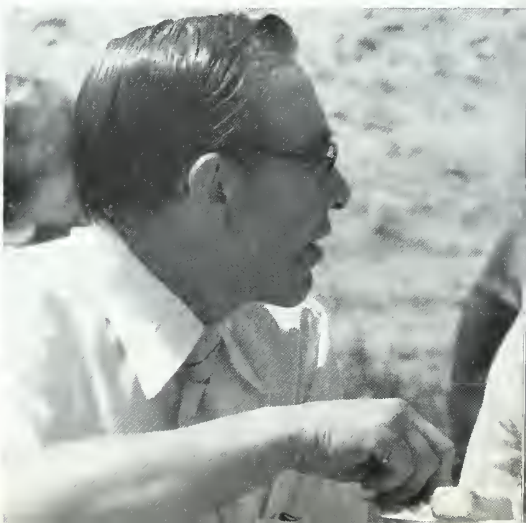
Award's Day is an exciting and joyful time that makes it all seem worthwhile. This is proven by the happiness shown by these people.

Field Day



A nice break is always welcomed on Field Day. There is plenty of food and field events. One of the most enjoyable times though, is dunking the faculty and staff in the dunking booth. A student once said, "see it proves they ARE all wet."





Whether dunking your favorite president or pitting your strengths against others in a tug-of-war, Field Day is a happy time. Thank goodness for the times when we can unwind, and get free food.

Homecoming Court

Queen Cindy Lance and her escort.

Flowers from Mr. Haynes gives final proof of the winner!

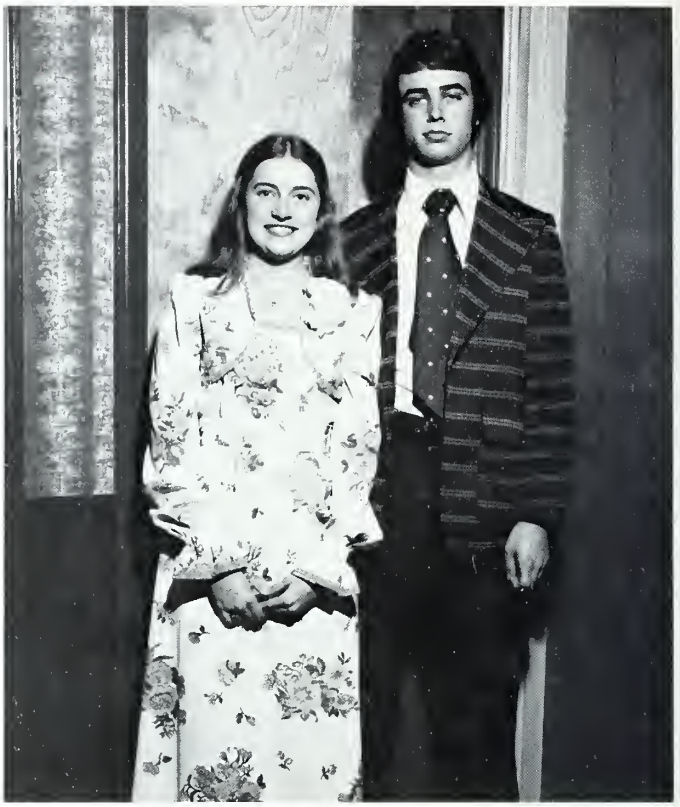
Andrea Rhodarmer, Yvonne Martin, Becky Glance, Donna Carter, Theresa Davenport, Cindy Lance, and Cheryl Moody show their nervous smiles before the announcement.

The queen and her court weren't the only ones that enjoyed themselves.

1st Runner-up, Donna Carter and her escort.

2nd Runner-up, Cheryl Moody and escort, Kenny Ball

Yvonne Martin, of the court, and her date.



Andrea Rhodarmer and her date finds time to pose.

Would you believe, one out of three smiles ain't bad?

Mr. Haynes with the out-going queen, Vickie Stempson

No, Vickie isn't the least bit reluctant to pass the crown to Cindy.

Posing happily with her date is Theresa Davenport

Flashing this pretty smile alongside her date is Becky Glance.

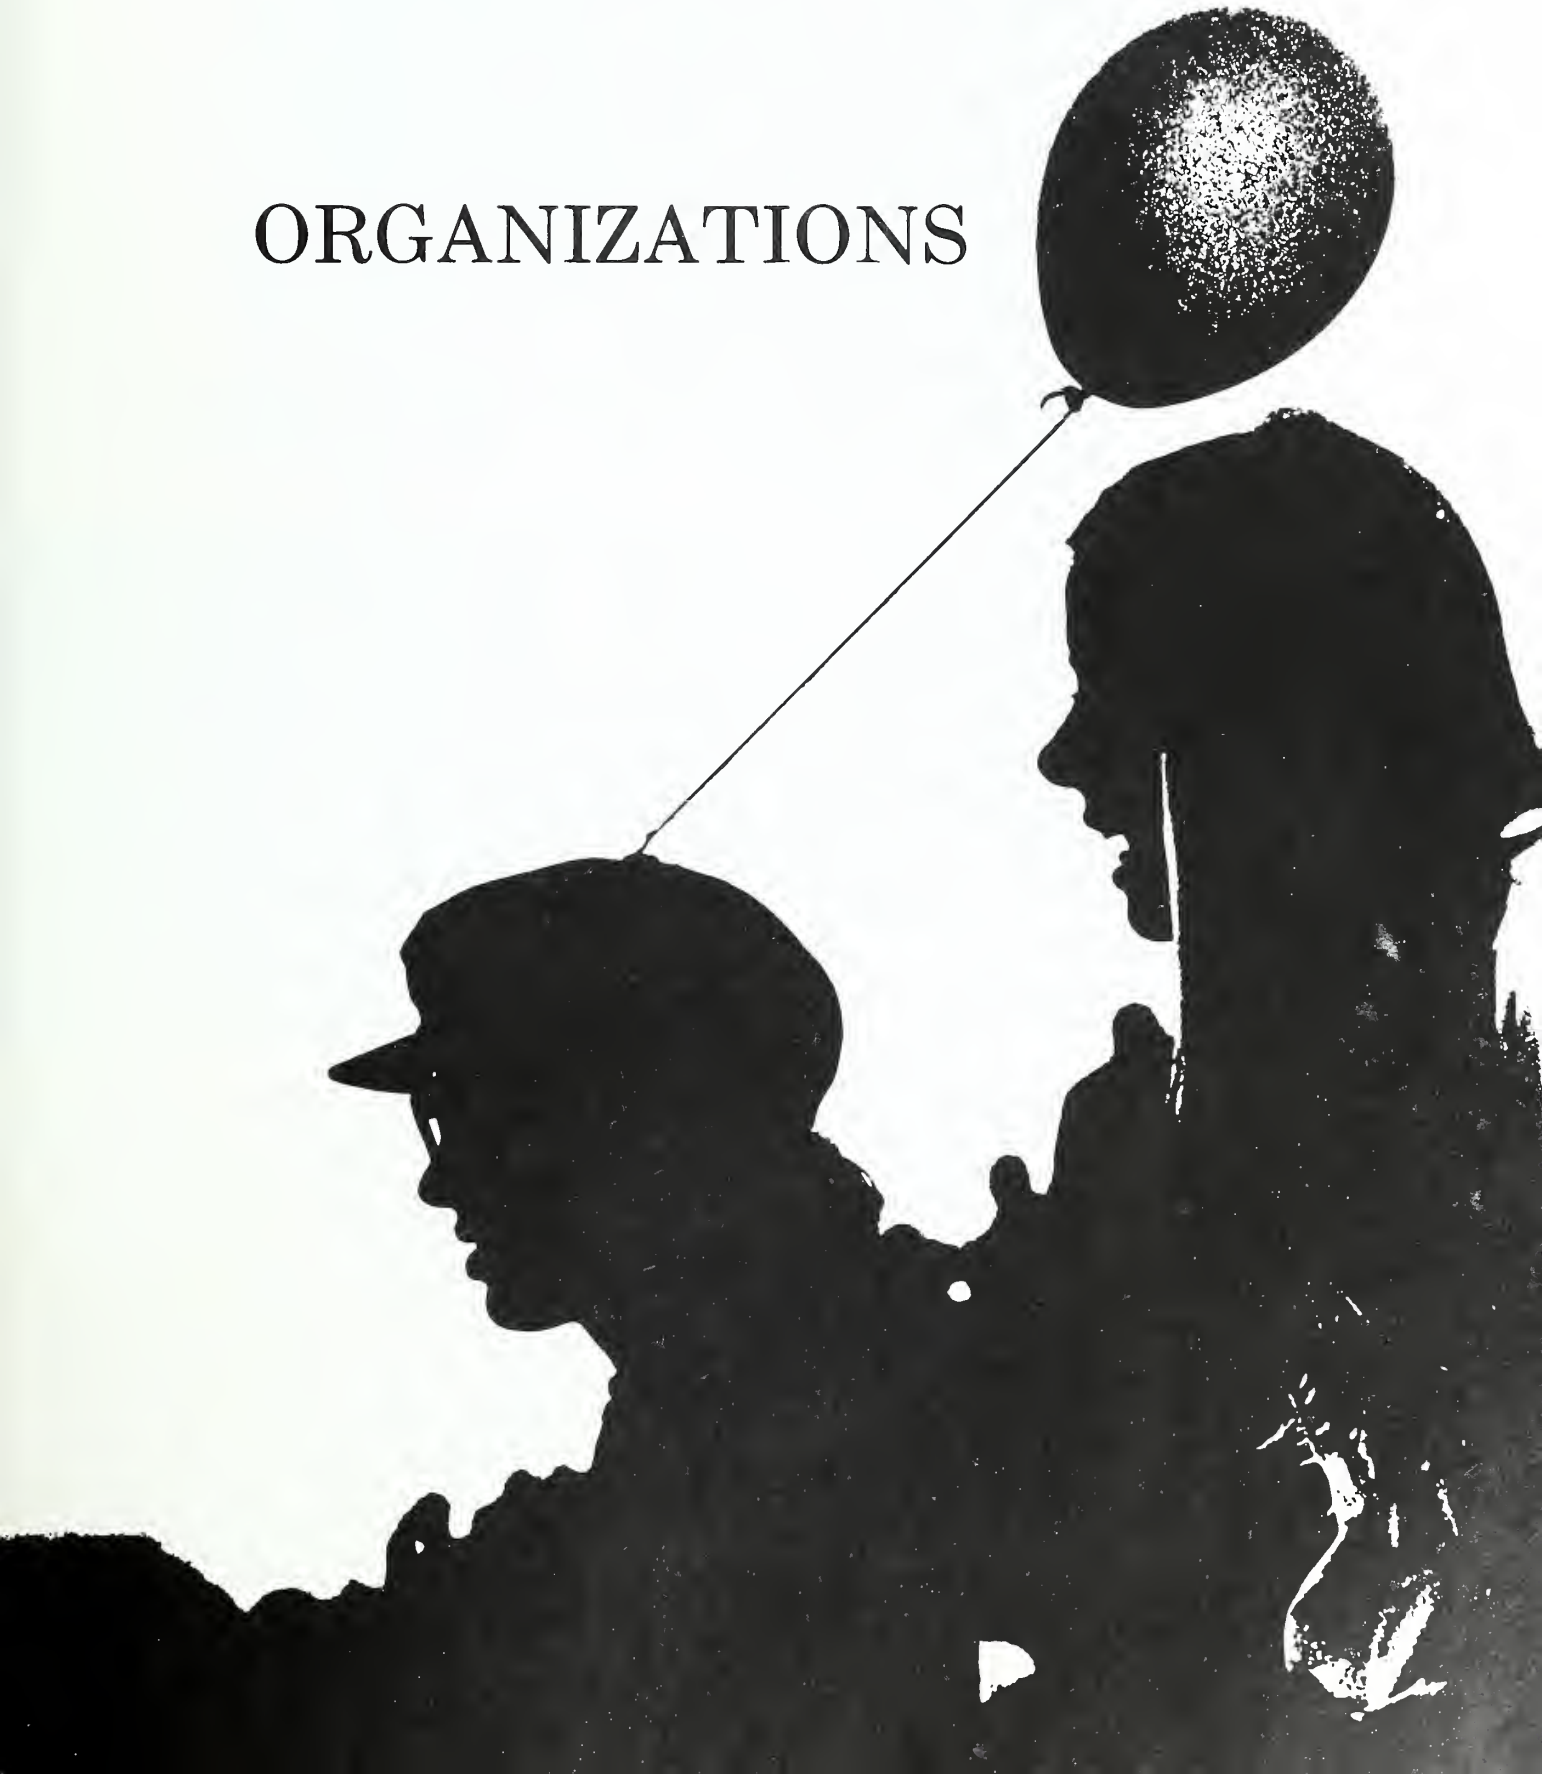
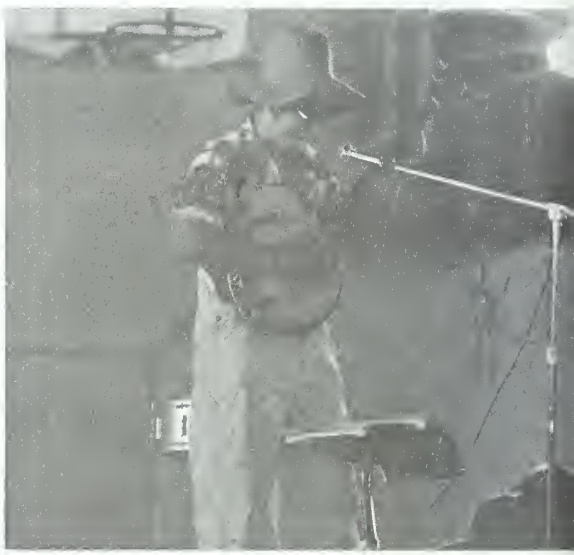
ORGANIZATIONS



Alpha Psi Omega

Alpha Psi Omega Officers: Garry Malone, Christy Sigman, Kevin Warren, & Debbie Lance



Alpha Psi Omega upheld its tradition in fine form this year. They deserved to be a Business Division club because they really took care of business. Many worthwhile tasks were undertaken by APO. Having Martha Marshall & Jane Smith as sponsors didn't hurt either.

One successful venture done by Alpha Psi was its Talent Show. The pictures tell the story.

JADHA

These members of the Junior American Dental Hygienists' Association are showing off their teeth now. But, next time — who knows, they may be showing their ability.

Miss Asheville 1979

Miss Sharon Gentry very deservedly won the Miss Asheville Pageant. It is with the greatest admiration that the 1978 annual staff present her to the viewers of this publication.

Besides her crown, some duties will be given Miss Asheville. One such duty is representing her hometown at the state level of competition — The Miss North Carolina Pageant.

There isn't really much joy nor happiness in receiving a late annual. But, it is sincerely hoped that this special presentation in its own way can bring some joy. To Sharon Gentry, on behalf of all connected with A-B Tech, we send our best wishes; with hopes that our own graduate makes it all the way to the boardwalk of Atlantic City.

Sharon Gentry singing — "I Quietly Turned to You."

Contestant Number Seven taking her first steps as Miss Asheville 1979.

A shining smile to match the sparkle in the newly adorned crown.

Senate

Pictured above is the Senate sponsor Mary Louise Carpenter along with some of the leaders of the Senate: Carolyn Blackwell — treasurer, Randy Snelson — president, Linda Davidson — Senator, and Robin Reed — vice-president.
At right is Andrea Rhodarmer — secretary. A great deal of thanks also goes to Bill Stockton, Sharon Gentry, Cheryl Moody, Kevin Warren and all the others who served in the Senate.

The Student Senate had its trials and tribulations in one way or another. But, they managed to remain intact. Credit is due them for what they tried to accomplish.

Who's Who

Four second year students from A-B Tech were named to Who's Who Among Students in American Junior Colleges. They are Andrea Rhodarmer, Accounting; Robin Reed, A.D.N.; Carolyn Blackwell, A.D.N.; and Garry Malone, Accounting.

Andrea Rhodarmer lives in Candler, NC. She is a choir member at the Snow Hill United Methodist Church. Andrea held the position of Secretary of the Senate where she served on several committees. Andrea was a cheerleader for two years and she was elected Miss A-B Tech this year.

Robin Reed resides in Asheville, NC. She was a member of the Student Senate as a senator and as the vice-president. She also served on several committees while involved in the Senate. Robin was chosen as this year's Homecoming Queen.

Carolyn Blackwell lives in Asheville where she is a Sunday School teacher. She is a member of the Acteens Missions Organization. Carolyn was Treasurer of the Senate this year and she has served as a senator for two years.

Garry Malone served as President of the Alpha Psi Omega Business Club this year. He belongs to the National Association of Accountants. Garry lives in Fletcher, NC with his wife and two children.

ADMINISTRATION

Board Of Trustees

Each and every time the doors to Asheville-Buncombe Technical Institute are open and a new year is about to start, the Board of Trustees have already met and decided about issues that affect our school. This year the Board unanimously approved a proposal to the State Board of Education voicing their objections to controls on curriculums. The medical students' education will benefit from their clinical agreements with St. Joseph's Memorial Mission, Highland, and VA Hospitals. Also, in keeping with A-B Tech's tradition of naming our new buildings after trees, the Learning Resources Center will soon be known as the Holly Building. With these fine people supporting our school — we, the students and faculty, are better off. We should thank them for a job well done.

Pictured above: (Seated left to right) Edwin Higgins, John Erichson, Chairman, Joe B. Roberson, D.D.S., Dave Robinson, Vice-chairman, Herbert Hyde, and Elizabeth Harper. (Standing left to right) Ernest Mills, William Morgan, and Herbert Coman.
